FY09 filing based on hospital's audited financial statements

Data Sources: FY05 - FY09 data drawn from DHCFP annual filing and are reconciled to Audited Financial Statements or to hospitals supporting documentation. DHCFP filings may not reflect all financial resources available to a hospital -- for example, resources available through associations with foundations or parents/affiliates. Financial information should be interpreted within the context of other factors, including, but not limited to, management plans, reimbursement changes, market behavior, and other factors affecting performance. Comments: Hospitals may also submit comments which further explain or clarify specific data items. Any such disclosures are shown below.

- [1] According to the Medicare Payment Advisory Commission (MEDPAC), a major teaching hospital is one with at least 25 FTE residents per 100 inpatient beds.
 [2] NE US Median data from The "Almanac of Hospital Financial & Operating Indicators.", 2010 INGENIX.
 [3] Blank values indicate a facility with no current long term debt in the period covered.
 [4] Blank values indicate a facility with no long term debt net of current portion in the period covered.

- 5] Net Patient Service Revenue includes Premium Revenue.
